

REMARKS/ARGUMENTS

Claims 18-20 and 22-29 remain in this application.

Claim 21 has been canceled.

The examiner has acknowledged that claim 21 was directed to allowable subject matter. Claim 21 was dependent from claim 18 and has been incorporated into that claim by this amendment as to form with no new matter being added to the claim. The remainder of the claims pending in the case depend from claim 18 either directly or indirectly. Therefore all the claims in the application are in condition for allowance and the case should be passed to issue.

SUMMARY

In light of the foregoing remarks and amendment to the claims, it is respectfully submitted that the Examiner will now find the claims of the application allowable. Favorable reconsideration of the application is courteously requested.

Respectfully submitted,

C. Fred Rosenbaum
